PAMELA CHRISTIAN MINISTRIES

Engaging, genuine and intense are three words often used to describe the teaching and speaking style of Pamela Christian; while words such as twinkle-eyed, dedicated and sincere describe her personality. Warm and personable, Pam is able to speak to deep intimate concerns, common to all women, in a way that causes her audiences to address the hidden matters of the heart. She shares from her personal experiences in all candor and humility, drawing on a strong biblical foundation, making her an approachable and valuable speaker for the growth of The Church.

*"I never want to be known as a go-and-blow speaker,
or a speaker that offers faith fluff intended
to stir the emotions only for the moment."*

Pamela provides practical and motivating teaching and inspired, compassionate speaking. She is uniquely able to help her audience connect with Truth, namely the person of Jesus Christ and all that He offers. Her ministry began when she served as a Teaching Director for a large, interdenominational Bible Study organization. After nearly seven years, she and her family moved and she immediately began receiving calls inviting her to speak at various Christian retreats and conferences. The story of how it all happened reveals that it was clearly God's plan for her to reach many more women as she now ministers and speaks coast to coast in person, on radio and television.

EVANGELISTIC

TRANSFORMED AT LAST! – a single message testimony

"Simply pasting wings on a worm does not make a butterfly!" is just one of the poignant yet humorous statements Pam makes as she shares how she thought she was a Christian for many years, until one night after a devastating event. In addition to outreach, this message clearly challenges the complacent Believer: "Why be a worm with pasted on wings when you can be a butterfly?"

A NEW BEGINNING – a three or four-part retreat

Initially created for a major interdenominational women's outreach, as an expansion of "Thou Shall Not Compare," this has vastly become one of the more requested retreats. Excellent for audiences of Seekers and Believers since the messages challenge people at all points in their walk. A New Look, A New Heart, A New Hope and A New Beginning. Based on Isaiah 43:18-19.

ENCOURAGING AND EMPOWERING

THOU SHALL NOT COMPARE – a single message

Knowing how women shape and reshape their personal identity and life goals based on appearance, standards and possessions of others, Pam expertly and delicately presents some hard truths which won't allow the listener to leave without discovering how comparisons ever and only lead to discontentment. Filled with humor, yet personally probing, this message is serious fun.

LOVE LETTERS FROM GOD – a three or four-part retreat

This retreat offers encouragement for the discouraged, comfort to the wounded, challenge to the complacent and relationship for the lonely. God's love is all around us and His direction is available at all times in any situation – we just need to know how to look for it.

EDIFYING AND ENLIGHTENING

COME AWAY MY BELOVED – a four-part retreat

This message looks hard at what it means to be in Covenant with God. Beginning with "Covenant Position in Christ" followed by examining our "Covenant Condition in Christ" then considering our "Covenant Relation in Christ," concluding with our "Covenant Communion in Christ" this message uses Pam's personal testimony with teachings from Hosea to reveal the continued unfaithfulness of God's people and the urgent need to repent.

PASSPORT TO THE FUTURE – a three-part retreat

This delightfully enjoyable "travel" theme retreat begins with Journey Into Life, where Pam's compelling testimony is given and invitation offered. Followed by All Aboard, which is a challenge to surrender all to Christ. Concluding with Buckle Your Seat Belts, providing more testimony and teaching about life's 'turbulence' and how God uses it to sanctify us to make us ready for our future.

EQUIPPING AND EXHORTING

THE PERFECT TREASURE – a three-part retreat

This fascinating message uses the story of the discovery of the Dead Sea Scrolls as an analogy to the Christian's life and explains how we, as jars of clay, must be broken before the treasure inside us can be discovered! Wonderfully educating and inspiring, this message stirs up the listeners causing them to delight in the knowledge that they are uniquely fashioned and made for a specific purpose in the plan of God.

JOURNEY INTO HOLINESS – a four-part retreat

With a burden for the lack of holiness in The Church, Pamela was inspired to develop this retreat based on Leviticus 20:7. This is excellent for those who are wanting to go deeper and live more meaningfully in Christ. Well researched and substantiated, instructive yet personably presented, this message lifts people up to a higher standard – God's standard.

THE FRAGRANCE OF FAITH – a three-part retreat

Based on 2 Corinthians 2:14 this message is written for today when it seems that in every turn, our faith is giving way to fear. World events, natural disasters, the failure of the financial, job and real estate markets, politics, social issues and the continued failure of the family have produced tremendous fear. Addressing the "casual Christian" and the long-time Believer, these messages challenge listeners to seriously evaluate their faith to be certain it's based on truth. Using basic apologetics, this is an excellent retreat examining the "Foundation of Faith," the "Fractured Faith," and the "Favor of Faith." Excellent as an outreach event for young adults to seniors.

BIBLE STUDY AND LEADERSHIP TRAINING

HIS WORD AFRESH, MY LIFE ANEW! - a full-day workshop

Independent Bible study is a lost discipline. This workshop is designed to garner true appreciation for the Bible and to present an inductive method for confident, individual study. One workshop attendee said, "I've been in Bible studies all my life, but what you've shown me is that I don't know how to study the Bible for myself. I can't wait to get home and get started!" Workshop Supplement Book required.

HELP FOR THOSE UNDER AND UNEMPLOYED

WHAT YOU DON'T KNOW ABOUT UNDER AND UNEMPLOYMENT

– a day-long intensive

Having become a "reluctant expert" on the topic of under and unemployment with both Pam and her husband's experience, even losing their home to foreclosure, Pam knows that the crisis brings with it far more than simply the loss of a paycheck. Marriage and family relations, emotional, mental and physical health and even our spiritual health are all adversely impacted and if not properly identified and managed can bring much more suffering and loss than necessary. Pam's full day seminar and extensive, pro-active work book provides real help and certain hope.

HEART DISEASE AWARENESS CAMPAIGN AND CONFERENCE

BLESS YOUR HEART – a single message

Pam's miraculous story of surviving sudden cardiac arrest, something that only 5% of witnessed victims survive, provides experiential testimony concerning the eternal nature of our souls. Wanting to help increase awareness that heart disease is the leading cause of death for women and to convince people to seriously consider their eternal destination, Pam expertly tells this dramatic story, with much humor and in all seriousness.

What others are saying:

- "...it hurts, but hit me again!"
- "You're the nicest bully I've ever met!"
- "A wonderful blend of caring and directness."
- "A wonderful expression of velvet and steel."
- "Precisely the velvet hammer The Church needs today."
- "...disturbing the comfortable—comforting the disturbed."
- "The clearest presentation of the gospel I've heard in a long time."
