

SHOUT DOWN THE ENEMY!
LIFT UP GOD AND HIS PEOPLE!

By the authority and power I have from Jesus Christ, I decree and declare:

- The enemy is becoming greatly confused, their communication with those they are seeking to work through is now disconnected. They cannot hear one another clearly.
- Fear is increasing among all the enemies worldwide at this time. The enemy knows he and all his followers are losing, and in their efforts to regain control they will make many mistakes and blunders that actually allow them to be exposed, captured and held accountable.
- This is for ALL the enemies not just those working through government. All the seven mountains of society the enemy is being called down now in the name of Jesus: Religion, Government, Family, Media, Arts/Entertainment, Education, and Business/Finance.
- All the evil systems and methods and strategies the enemy has planned and implemented over the many years, are now being brought low, exposed and positioned to be completely undone.
- I praise You God for all You have done and are doing to replace all the evil with righteous men and women, those who will uphold You and Your ways.
- I see all the corrupt systems being taken down and replaced with godly methods and ways. Big Pharma, Medical Tyranny, Big Media, Fraudulent Government, Corrupt Education, Foster Care and CPS, Drug Traffickers, Human Traffickers, One World Government, United Nations, World Health Organization, Center for Disease Control, Evil Economic Systems, Klaus Schwab, Bill Gates, Yuval Noah Harari, Fauci, George Soros, Zelensky, the CCP, all of this and the like worldwide, is ordered to crumble from within NOW.
- All those who worship satan, who are advancing evil of all sorts through alliances, witchcraft, sorcery, divination, spells, curses and the like are right now suddenly confused and unable to think straight, their speech is as babble, and their vision is clouded.
- Those seeking to reach the “underworld” via CERN or similar, and those who seek to combine Artificial Intelligence in humanity are likewise suddenly confused, unable to think straight, their speech is as able and their vision is clouded.
- I see the evil cabal worldwide identified, arrested and held accountable for their horrendous crimes against humanity of all kinds.
- I call forth 1000 heavenly hosts to be assigned to every mountain of society to tear down the platforms and strongholds and expose the evil doers for who they are. I see the evil spirits influencing people bound, arrested and made immobile until God determines the right judgment for them.
- I see those who have been fraudulently operating to advance evil plans to overpower and control the nations and the people of the world to be identified, rounded up, arrested and tried for their crimes against humanity.

- I see the wealth of the wicked that has been laid up for the righteous being released and redistributed and Your people becoming free from all the many bondages and enslavements we've been subjected to for centuries.
- I see corrupt financial systems taken down and new systems established for the good of the people worldwide.
- I see a new United States, rising up in righteous power, bringing forth order from chaos and hope from despair, and working with other godly nations to bring freedom and restoration, with all our God-given rights reestablished and upheld worldwide.
- I see the nations identified as either sheep or goats and the goat nations shrinking back in their powerlessness, realizing they are now under the feet of the sheep nations and God's people who are carrying out Christ's victory, Amen.
- I see people being greatly touched by God with miracles, signs and wonders creating a tremendous worldwide revival and reformation and celebration in Christ Jesus, Amen.
- I see deliverance, healing, glorious miraculous happenings all around the world where Jesus is hailed and God is glorified.
- I see the evil agendas of LGBTQ+, Transgenderism, Pedophilia, Abortion, Human Trafficking, Drug Trafficking, Pimps/Prostitution, Pornography and all agendas contrary to God's will and ways, completely crushed and people everywhere demanding godly morals, values and ethics.
- I see the damage and destruction caused by various forms of mind control and indoctrination through media, educational systems, woke ideology, Black Lives Matter, Antifa, Communism, revisionist history and the like, being exposed, overturned.
- I see the whole world desperate for and determined to have truth in all aspects of life, to be set free by the truth and experience all hope and joy truth provides.
- I see an entirely different world—a godly world where sin and wickedness have been pushed far back to near non-existence—and made to pay back what they have stolen seven times.
- I see sin bound and in jail for an extended period of time, only able to watch and see the work of the Lord for His people. Only able to watch and see God praised and worshiped and glorified by His people—the very praise satan wanted for himself, he must see God receiving, Amen!
