

Transcription of the Lord's Word Spoken by Barry Wunch 1/20/2021

“Fasten your seat belts. This is going to be the ride of your life. I have begun to dismantle some of the most evil structures that have ever existed. Many have said that it cannot be done. They say, “They’re too powerful.” They say, “It will never change.” They say, “It does not matter the color of the team, they’re all the same.” Corrupt, greedy, vile and immoral.

It is for this reason that I am dismantling things as you’ve known them. I tell you that I will not relent and I will not stop until everything that can be shaken will be shaken. The deep state that has ruled over the United States of America and every nation around the world shall be dealt with swiftly. The ties to the ancient orders, the occult, fake gods, and false religions shall be exposed for all to see and understand. And furthermore, I shall dismantle and destroy these at the sound of My name. Let it be known on this day that I’m coming to deal with these evil leaders, once and for all. For far too long they have oppressed and controlled my people. I’m dismantling their alliances, their power structures, and their regional strongholds, from New York to California You will see My hand at work.

These gates, to and from this nation will be reestablished on My word and My destiny over this United States of America. I am exposing and removing all those who stand in the way. They have been given the opportunity to repent but have made their choice to walk in their own ways. I will displace the powers and principalities that overshadow these gates of New York to California and the light shall shine like the noon-day sun for all to see.

I will bring restoration and healing through these gates and harvest shall be great as revival sweeps the streets. I will reestablish and release Kingdom wealth for My people taking it from the hands of the wicked. You will be astonished by the work of my hand.

Florida, you are key to this nation and I’m about to turn this key for the world to see. What I’m starting in Florida, shall not only ignite your nation but the nations of the world.

Leaders, domestic and foreign shall come and gather and be touched by My glory, never to be the same again. It will be a gathering place for the United Nations—United in Me. [Not the current United Nations in New York as we know it.]

Texas, My loyal defender, a trumpet to the nation, I'm increasing My favor upon you. Your wells shall bring increase, new fields opening, somehow over looked new discoveries. You will fortify these walls once again. You will execute justice, sweeping the land. Rounding them up will never have been so easy. Many will come to know me and turn on their leaders. Informants and runners will come to you, to show you what is hidden. The fear of the Lord shall over take them. Great power will flow from you Texas. Lead the way, Texas. I'm flushing out those things that do not belong. They will no longer hold seats they hold. They will not be able to withstand or resist Me. And I have given you mechanisms, to proceed. So, proceed at will. I am with you and you will have great success.

Gates, Bill Gates, I'm about to tie your hands. You've had your freedom. But know that there are some against you that money cannot buy. They are closing in and there's no way to escape what is coming. You will be tried by many nations, and your works will be brought to and end. There is no where to hide from Me. Many are your pawns, many are your allies and not one will I over look. I am bringing justice. END
