

Pam's Personal Prayer for 2024

January 1, 2024

Good morning Everlasting Father, Prince of Peace, Wonderful Counselor, Almighty God,

I praise You for all You are. I worship You for all You are and have done, are doing and will do. I glorify You for all your awesome traits, including Your perfect faithfulness. Oh, God that I belong to You. That You have done all You have to redeem me that I am not outside of Your goodness and mercy. I praise You with my life and how I choose to live for You.

You have been at work in me for all these years and I am not the same today as I was when I first found You, Jesus. I thank You that the more I seek You the more You draw closer to me and I am transformed in the process. Oh, thank You Lord!

Father, as You know this is the first day of our church's 21 day fast. I want to be part of this like I have never done before. I am asking You to help me. Lord, this year is the year we will see You intervene in the affairs of mankind like never before. You've said we would see your glory in signs, miracles and wonders. I want this to be a fast that produces spiritual results, not just for me but for those I pray for. I want this fast to be evident in the connection with You and Your authority and power by way of miracles, Lord. All for Your glory and the benefit of many, Amen.

I seek You for:

- Peace in Jerusalem and Your intervention in the war between good and evil that is taking place in the middle east. Lord, MSM is not reporting because they are antisemitic. Having heard what little I have from Amir Tsarfati, I am greatly burdened. I pray for the protection of Amir and his family. Lord, I pray for my Jewish brothers and sisters to find You at work among them and for many, many of them to come to Christ. I pray for them to see miracles in pushing back the enemy and for this whole war to come to a swift closure. I pray for great wisdom and strategy from You for the IDF to allow them to fight and see You miraculously working in their behalf.
- I pray for the Church, of all true Christ followers to wake up and realize judgment begins with the House of the Lord, for repentance to come upon Your people, especially those who are cooperating with sin. I pray for them to be removed from positions of influence until they are fully recovered and only restored to their positions of influence according to Your will. And I pray for deep and complete healing of all people who have been hurt in any way by a person who has professed to be Christian so the name of Christ is not disparaged, Amen.
- I pray for all the nations of the world to wake up to Jesus and for this to be the time of the beginning of a Great harvest of souls worldwide, restoring the nations to Christ. I pray for Christians who are displaying antisemitic beliefs to be quickly corrected and learn the truth about the Jews, and the so-called Palestinians and how as Christians we are all under the Abrahamic covenant. Christians who are

antisemitic are causing the house to be divided and so I call for unity among Your Children like never before. I pray for people to wake up to the truth of our being in a spiritual war of good vs. evil and for those who realize they've been perpetuating evil to run to You Father in utter repentance, seeking forgiveness and embracing Jesus.

- I pray for the world to wake up to the truth about You and the many ways we've been lied to by people of money, positions and power. Let us see You intervene on behalf of Your Children in ways the world cannot deny it was You. I pray for these people to be held accountable and for righteous men and women whom You've called to take their place. This includes evil governments and people working governments and monarchies that are not promoting Your will: the UN, WEF, WHO, CDC, Big Pharma, Big Media, the Bank/Financial industry, Education, our Court system.
- Lord, I pray for all the WHITE HATS You have in place to hear from You clearly and to obey and become the secret weapons You have always intended to expose all manner of corruption wherever it exists and for the people who have perpetrated evil to be held publicly accountable. I pray for the protection of President Trump and PM Netanyahu. Amen. I pray they have a proper fear of You and the resolve to do what You instruct to see Your good and perfect will prevail.
- I pray for the atrocities of human trafficking, drug trafficking, the horrible sexualization of children, the transvestite, transgender and the LGBTQ+ movement to be shattered by You and for those who have been perpetrating these evils on others to be held accountable. I pray for You to miraculously redeem and restore people to healthy minds, healed souls and for their bodies to be restored.
- I pray for the younger generations who know they've been lied to but do not know where to look to discover truth, to be miraculously directed to people who are promoting truth whom they will readily see are trustworthy. Bless my work Lord that I may reach many, many people with the truth and to help them embrace Jesus, the Bible and to have a biblical worldview that compels them to get involved and help their nation become a sheep nation.
- I pray for Your people, Lord, Christians everywhere to have a miraculous download of truth, a far better understanding of You and all You've done for us and for them to realize their callings, gifts and talents are to perpetuate Your Kingdom will and ways in every areas of society and for them to realize to not do so is being disobedient to You. Put the fear of God in all of us all around the world Lord, and let us see You at work in our midst this year of 2024 as You have never done on earth before, Amen.

I thank You Jesus that Your life, death and resurrection have overcome all the evil in the world and that I am alive today to partner with You and see You supernaturally deal with evil and corruption once again as You bring all those who belong to You into Your family. Thank you for all You've told us in preparation for this very intense time before us. May we all hear and obey Your words. Praise You Lord Jesus! All for the benefit of many and the glory of God alone. Amen.
